## ***Welcome to San Diego***

Welcome to the Golden state! (And that doesn't just refer to our Tans and Beaches). We are proud of our beautiful city and look forward to showing you the many attractions that San Diego has to offer.

We very much enjoyed your hospitality during our visit to your mile high Rocky Mountain state last year and hope that you will enjoy your stay with us at sea level as well.

We are happy for the opportunity to renew those friendships and/or make some new ones with you.

If there is anything that we can do to make your stay more comfortable or memorable, please don't hesitate to ask.

Your Friend,

**Tom Schulz**
